Dear Ms. Santos:

This is a partial response to your Freedom of Information Act (FOIA) request received at Naval Surface Warfare Center, (NSWC) Crane Division on December 5, 2017. Your request indicated that you are seeking, "Relevant to N0017810D6332 we seek a "clearly releasable" copy of the original RFP, Contract and Winning Proposal." Per an email dated September 6, 2016, the scope was narrowed to "Task Order EH-02: Issued by NAVSEA." Your request was assigned local Case File Number 2018-F-04. Per your FOIA Request dated August 7, 2016, you indicated that you would accept clearly releasable information.

A thorough search was conducted and at this time four (4) documents are being released and have been redacted consistent with one applicable FOIA exemption at 5 U.S.C. § 552(b) Exemption 6. Exemption (b)(6) exempts personal information from release which, if released would result in a clearly unwarranted invasion of personal privacy. Each redaction has been annotated to show the applicable FOIA exemption.

During the search, an additional fifteen (15) documents were located, however the documents are not clearly releasable because they are exempted from release under FOIA Exemptions (b)(4) and (b)(3). FOIA exemption at 5 U.S.C. § 552(b)(4) protects commercial or financial information received from a private source when disclosure is likely to cause substantial competitive harm. FOIA exemption (b)(3) at 10 U.S.C. § 2305(g) exempts all contractor proposals except a winning proposal that was expressly incorporated into the contract.

Additional documents will be released as they become available. If you have any questions concerning this letter, you may contact me at (812) 854-5297 or by email at sara.gibson@navy.mil.

Sincerely,

SARA A GIBSON
